Large duplex style homes like this are very rarely offered for sale. This unique home has been recently painted throughout and is situated close to station, schools, shops, local public pool and most other amenities you may need.

Some of the excellent features include a large lounge/dine with split system air conditioning, modern kitchen with family area adjoining, 3 very generous bedrooms with the master boasting walk/in robe and ensuite, 3 toilets, single lock/up garage with internal access.

Presenting a great start for the first home buyer and of course a great investment to add to your portfolio. Hope to see you at the open home, Regards Dennis.
