Elders Kings Langley is proud to present to the market 4 Ponytail Drive. This family perfect home is sure to impress even the most astute buyers.

Boasting 4 generous bedrooms upstairs, all with built-in robes and master complete with stunning pendant lighting, spacious walk-in robe and tastefully renovated ensuite. Upstairs also provides a large main bathroom and fantastic living area, perfect for the kids to enjoy and mum and dad not to worry about any 'mess' that usually comes with a play area.

A versatile floorplan offers potentially 2 bedrooms on the ground level or bedroom and a study, for all of us that work from home. This is ideal for extended families as the renovated laundry, not only provides ample bench space and storage but also a full bathroom.
